## WHAT'S COOKING?

Tori and Dean, accused of foisting a phony infidelity story on the public, say their next project, a cooking show, will be lighthearted fare.

*Tori & Dean*

# DID THEY FAKE HIS AFFAIR?

DEAN McDERMOTT'S FIRST WIFE, MARY JO EUSTACE, CLAIMS HIS INFIDELITY WAS A FABRICATION HE AND TORI SPELLING CONCOCTED TO GET RATINGS.

## SOB STORY

Tori cried on camera about husband Dean's fling with another woman. Yet efforts to find his supposed mistress proved fruitless.

THERE isn't much cash-strapped couple **Tori Spelling**, 42, and **Dean McDermott**, 49, won't do for money and fame.

From staged photographs with paparazzi to taking lie-detector tests to their famous garage sales, they've stayed afloat by exposing their personal lives. But if what Dean's ex-wife, **Mary Jo Eustace**, says is true, then the couple may have hit a new low.

"It just seemed like it was not true,"

Mary Jo tells *Star*, about an affair her ex claimed to have had in 2013 — and which Tori and Dean milked as much as possible. In fact, the whole premise of Lifetime docuseries *True Tori* hinged on how it caused their marriage to unravel.

Dean, former host of TV cooking contest *Chopped Canada*, confessed to engaging in a wild, two-day fling with a 28-year-old woman named Emily Goodhand, whom he met at a party while he was filming in Toronto. The scandalous story got major play in the press, and the couple quickly parlayed it into a show that captured every second of Tori's tearful agony and Dean's pathetic guilt over the betrayal. But Mary Jo smelled a rat, believing the entire affair was fabricated to keep Tori and Dean in the spotlight.

"I'm from Toronto, and I know people at the party where Dean and Emily supposedly met — and nothing happened," Mary Jo says. "What I heard was that things got so bad for Emily, she had to leave Toronto, go to Paris and start a new life — which made no sense to me. You know those mistresses, when they come out of the woodwork, they leverage it, they get something out of it."

Interestingly, Emily gave only one interview, and no photograph was ever confirmed. During an episode of their show, Tori claimed to be looking at a photo of Emily — but she never allowed the cameras to show the image.

Now that Mary Jo is going on record, other insiders are supporting her view. "Tori and Dean are totally capable of pulling off a stunt like this," echoes a source. Yet while Mary Jo devoted a chapter to the faked affair for her new memoir, *Scared Wheatless*, she pulled it prior to publication. "I wanted to be civil, so I took it out," she says. "I just didn't want to add to their problems."

**KYLIE vs. KENDALL**

# THE FEUD EXPLODES!

FISTFIGHTS, CRUEL TAUNTS AND ON-CAMERA EXPLOSIONS ARE JUST THE TIP OF THE ICEBERG FOR THIS FRACTURED FAMILY.

**F**ROM vacations to closets to Christmas cards, the **Kardashians** do everything over the top, and their family feuds are no exception. On the Nov. 15 premiere of *Keeping Up with the Kardashians*, fans saw the bad blood between **Kendall** and **Kylie Jenner** boil over — and *Star*'s sources reveal that the tension is worse than viewers know.

"Kendall and Kylie despise each other," reveals an insider. "They never talk, except to hurl insults." Indeed, in one uncomfortable clip from the show, Kendall called her younger sister

the C word and "the biggest f\*cking bitch I've ever met."

Ironically, the show — and their competition to be the most famous sister — is what is putting the strain on their once close relationship, but "if it weren't for the show, the girls would wash their hands of each other completely," explains the source. "Kendall has called Kylie a fat, lazy no-talent loser."

And when words aren't enough to wound, the battles turn physical. "Kendall and Kylie have knock-down, drag-out fights all the time. They

scratch and pull each other's hair so hard, their extensions have come out," the friend reveals. "One time, Kylie dug her nails into Kendall's arm until she ran, screaming in pain."

But the acrimonious sisters may be better actresses than anyone thought, and they continue to play nice in public for the sake of their image and bank accounts. In reality, however, they may never mend the rift between them. "The bottom line is, they live in two different worlds now," says the source. "No one really knows if their relationship can recover." ★

# INSECURE GIGI'S BODY OVERHAUL

Gigi Hadid should have been on top of the world after her Victoria's Secret Fashion Show debut, but instead the 20-year-old beauty had an epic meltdown over her body!

"Gigi hated how she looked. She felt she was the worst-looking model and fat by comparison, especially next to **Candice Swanepoel**," says a friend. "They look a lot alike, but Gigi felt uncomfortable alongside stick-skinny Candice. She just burst into tears when she saw photos of them together."

Now Gigi is so paranoid about her figure that she may go under the knife! "She wants a major body overhaul — lipo, bigger lips, mole removal and even a face-lift," adds the insider. "Everyone is telling her to stop being ridiculous, but she's already booked consultations with two different surgeons." Hey, Gigi, Victoria's secret is that you look fab just the way you are! ★

**DEMI'S**

# SECRET SHRINE TO ASHTON

It's not unusual to have a place in your heart for your ex-husband...but a place in your *home*? That seems to be the case for **Demi Moore**, who hasn't quite accepted that **Ashton Kutcher** is remarried — at least, if her décor is any indication.

"In one of Demi's guest rooms, there's a huge framed photo on the wall of her and Ashton kissing," says a friend who stopped by Demi's manse. "If she were completely over Ashton, she would have tossed the picture, but so far she has no plans to get rid of it. It's very bizarre." ★

# ELISABETH MOSS' SCIENTOLOGY SOS

Forget a latte break or some quick meditation. When **Elisabeth Moss** is having a bad day, she opts for a little reprogramming from her Scientologist life coach!

A source tells *Star* that the *Mad Men* actress was a nightmare on the set of a recent photo shoot, arriving late and immediately complaining about the clothes. "She whined that nothing fit and freaked out over not being able to fit into the Spanx," said a source on set. "Everyone knew the rest of the day would be difficult."

That was, until Elisabeth received a mysterious phone call from someone in her controversial religion. "Then things got weird," recalled the insider. "She took off for about 10 minutes for an 'audit' phone session. Afterward, she was a different person — she was calm and happy and the whole shoot was drama free." ★

## AMAL TAUNTS CINDY: YOU LOOK LIKE CAITLYN!

Is **Amal Clooney** Hollywood's biggest mean girl? George's wife made a cruel crack to **Cindy Crawford**, who's married to **George's BFF Rande Gerber**, during a dinner at L.A. hotspot Craig's.

"Amal joked that Cindy could be **Caitlyn Jenner's twin**," cringes a tipster. "Then Amal burst into giggles, but Cindy was stone-faced."

While Cindy has no problem with anyone being transgender, "no woman wants to be told that she looks like a man who's had a sex change," adds the insider. As a result, the supermodel has decided to give herself an anti-Caitlyn makeover. "She wants to chop her hair off and start wearing glasses," says the source. "She doesn't ever want to be mistaken for Caitlyn again!" ★

**JUST MARRIED!**

# Inside Sofia & Joe's FAIRY-TALE WEDDING

Hollywood's two sexiest stars are officially off the market!

Celeb wedding planner Mindy Weiss, who has orchestrated the nuptials of Nicole Richie and Joel Madden as well as Ellen DeGeneres and Portia de Rossi, staged the extravagant event.

It's a done deal! **Joe Manganiello** and **Sofia Vergara** are husband and wife. The couple, who got engaged last December, exchanged vows on Sunday, Nov. 22, in an intimate ceremony at The Breakers Palm Beach luxury resort in Florida. "The wedding was just what you expected: moving and quite emotional," reveals an insider. "There wasn't a dry eye in the house."

Just after 6 p.m., more than 400 of Sofia and Joe's friends and family, including *Modern Family*'s **Ed O'Neill**, **Ariel Winter** and **Julie Bowen**, headed into the hotel's Mediterranean Ballroom, famous for its fresco-painted ceilings and Venetian-style chandeliers. Dressed in a sexy, skintight gown by **Zuhair Murad**, Sofia, 43, was walked down the aisle by her 23-year-old son, Manolo. Sources say he looked extremely proud to be giving his mother away to the affectionately dubbed Papa Joe, who waited at the altar in a John Varvatos tuxedo. "Sofia has never looked more beautiful," says the source. "But it was really all about two families

becoming one, with relatives picking a seat, not a side."

After the newlyweds' first kiss, guests were directed to the hotel's four adjacent ballrooms — and the partying didn't stop until five o'clock the next morning! Of course, in true Sofia style, there was at least one quick outfit change. Armed with 10 makeup artists and hairdressers, the bride — who went with long, loosely curled hair, smoky eyes, a dash of CoverGirl's Sofia in Love lipstick and a spritz of her new fragrance, Love — reportedly slipped into a Mark Zunino number for the reception.

"Sofia and Joe kept the party going, encouraging everyone to enjoy themselves," says the source. "It was far from a stuffy, formal event." According to sources, Joe, 38, was in charge of the menu, which offered dishes honoring both their Italian and Colombian heritages, as well as music. ("If it were up to Sofia, their first dance would have been to **Pitbull**," jokes a pal.) "There was so much dancing, so much love and light in that room," says the source. "Joe couldn't keep his eyes or hands off Sofia all night." ★

## Taylor & Calvin's SOMBER SUPPER

After managing to be in the same town at the same time, **Taylor Swift** and **Calvin Harris** sat down to enjoy dinner together on Nov. 15 at the Soho House in West Hollywood. "To be honest, though, it looked more like a business meeting than a date. They weren't affectionate, and both of them barely managed a smile during the meal," an eyewitness tells *Star*. "As soon as dinner was done, Taylor asked for the check. They gave each other an awkward hug and then went their separate ways without so much as a kiss." As *Star* previously reported, the "Shake It Off" singer, 25, hasn't been able to, well, shake it off after Calvin, 31, was seen exiting a seedy massage parlor in September. "He's tried everything to win her back. He's even watching her cats!" says a pal. "But once Taylor questions your loyalty, you're as good as gone." ★

On Nov. 19, Tyga  
celebrated his

26th birthday at West Hollywood hotspot 1Oak alongside pals **ASAP Rocky**, **Wiz Khalifa**, **Jamie Foxx** and **Christina Milian**, but there was a certain someone missing from the festivities: 18-year-old girlfriend **Kylie Jenner**! "While they were getting ready for the party, Kylie snooped through Tyga's phone and found a bunch of flirty text messages from other girls," a source tells *Star*. "She was furious and broke up with him on the spot. Kylie's always had trust issues when it comes to Tyga, but this was too much." After all, this isn't the first time Tyga's texts have gotten him in trouble. A treasure trove of explicit messages Tyga allegedly sent transgender porn star **Mia Isabella** were leaked online in July. "Tyga only went out because he was paid to be there, and he left as soon as he could," says the source. "Needless to say, things aren't looking good for these two." ★

## Miley & Jared's HOT HOTEL HOOKUPS!

**C**AN'T stop, won't stop? When **Miley Cyrus** ended her engagement to **Liam Hemsworth** in 2013, the singer reportedly nursed her broken heart in **Jared Leto's** bedroom. And now, after splitting from Victoria's Secret model **Stella Maxwell**, sources tell *Star* that Miley, 22, and Jared are back at it! "They were in L.A. one weekend in November for separate fund-raisers, but afterward, they met up at a hotel in West Hollywood," reveals an insider. While these two certainly have a habit of hooking up, the *Suicide Squad* star, 43, made it abundantly clear that he isn't looking for anything serious, even setting up a few good-time guidelines for their sex-only setup. "They hardly ever go to Miley's place because it's too easy for the paparazzi to catch them. And when they spend the night at a hotel, they choose one with underground access," the source explains. "Miley knows it's because Jared is seeing a lot of other women, but she's told friends she doesn't care and is more than happy to keep their arrangement a secret." ★

## Jessica & Justin IN BAD SHAPE

**Jessica Biel** might just be trying to bring *SexyBack* after giving birth to son Silas, but the actress' frequent one-on-one workouts with personal trainer **Jason Walsh** have **Justin Timberlake** sweating. "Jessica enjoys spending time with Jason because he's so attentive, whereas Justin is always preoccupied with work," a source tells *Star*. "That said, Justin started getting suspicious once she upped her sessions." As one pal puts it: "Oh, how the tables have turned." (In 2014, *Star* caught the "Suit & Tie" singer, 34, nuzzling the neck of his backup dancer **Zenya Bashford**.) Although Justin's rep denies that there is any tension at home, sources say Justin made Jessica, 33, cancel her appearance at the Aug. 21 grand opening of Jason's new gym, Rise Nation. "Justin said he might start joining them there," says the pal. "Jessica is thrilled. It'll be the most time they've spent together in months!" ★

## Tom Tells Elizabeth: TIME'S UP!

Talk about playing too hard to get. While it seemed as though *I Saw the Light's* **Tom Hiddleston** and **Elizabeth Olsen** were ready to go public with their new romance, insiders claim the actress, 26, had trouble committing to her costar once filming wrapped. "Elizabeth's so focused on her career," reveals a pal. "She just wasn't sure she could handle a serious relationship right now." Tired of trying to make sense of her mixed signals, Tom, 34, broke it off with Elizabeth before he left to film *Kong: Skull Island* in Hawaii — not that he's singing the blues. "He seems determined to enjoy himself out here, partying late into the night with the cast and crew," says a source on set. "And no one can help but notice just how close he's gotten to quite a few of the gorgeous girls working on the production." ★

Which celebrity couple broke up after an accidental pregnancy? "They had been dating for two years but had no plans to get married anytime soon," a source reveals to *Star*, "but he was committed to doing the right thing, and even welcomed the idea of becoming a father." Ultimately, the actor left the decision up to his much-younger girlfriend. "Worried that the pregnancy would derail her career on the catwalk, she decided she wasn't ready to raise a baby," says the source. "And their relationship never recovered." ★

**TOO MUCH,

## Jon & Jennifer's TEXTUAL TENSION

While **Jon Hamm** and **Jennifer Westfeldt** have only just gotten back together, sources say the *Mad Men* star, 44, is already starting to feel smothered. "Jennifer has been bombarding him with texts from sunup to sundown, asking what he's up to, where he's been and when she can come over," reveals an insider. "Jon does his best to keep in touch, but he feels like they're rushing into this. They need to figure out why their relationship fell apart in the first place before they pick up where they left off." As *Star* previously reported, rumors of strife — from baby squabbles to the actor's 30-day rehab stint for alcohol addiction — circulated long before the couple announced in September that they were calling it quits after 18 years together. "Jon wants to take it slow," says the source, but that might be a bit of a problem. Two weeks ago, Jennifer, 44, was photographed lugging a large suitcase into his L.A. residence. Honey, I'm home! ★

## Smiles Between Them

What a toothy twosome! "William puts Kate on a pedestal," a palace tipster tells *Star*. "He gives her everything she wants."

## MAKING "WE TIME" IN MUSTIQUE

TO ESCAPE THE DEMANDS OF LIFE IN THE REGAL LIMELIGHT, KATE AND WILLIAM KICK BACK ON THIS AWESOME ISLE.

The romantic future monarchs have been going on holiday to this private Caribbean paradise since before they were married. Here, they can doff the prim attire and cut loose — be it at the beach, on a boat or in Aurora House, the luxurious but laid-back villa Kate and William return to again and again.

# ROYAL INSIDERS TELL ALL! **SEXY SECRETS** *OF Kate & William's* **MARRIAGE**

IT'S NOT ALL POMP AND CIRCUMSTANCE FOR THE PRINCE AND DUCHESS. THEY KNOW HOW TO LET LOOSE, HAVE FUN AND KEEP THEIR LOVE LIFE SAUCY BEHIND THE SCENES.

**B**ETWEEN all their royal duties and buttoned-up public appearances, plus their responsibilities as parents, **Prince William** and **Duchess Kate** have incredibly busy schedules. So it's no wonder that they come across as impeccably proper, even a bit boring. But as *Star* has learned from palace insiders, the Duke and Duchess of Cambridge, as they're officially known, are regal lovebirds who, just like other young couples, have their own secrets for keeping their marriage fun — and their romance red-hot!

"They're still as much in love as they were when they first started dating as students, and they don't want that to ever change," a source reveals. "So they make time for each other, and do their best to stay grounded and appreciate the simple things."

Of course, their level of privilege allows the crowned couple to party in grand style — whether in the mood for a frisky romp, a casual date, a grand getaway to the sultry tropics or even a playdate with their kids and those of their upper-crust friends.

#### **KEEPING IT COZY...AND STEAMY**

Even royalty must take steps to prioritize romance. So William and Kate, both 33, who wed in April 2011 and are the parents of George, 2, and Charlotte, 7 months, have a few rules. The first: Two child-free date nights a week, no matter what. "Sometimes it's as simple as snuggling up in front of the TV, while on other evenings they'll have a table set up in the garden for a candlelit dinner," one insider reveals. "The point is to enjoy togetherness and reconnect, without discussing the

little ones or their public roles."

Stay-at-home dates are a regular occurrence, be they at the couple's official London digs — an apartment within Kensington Palace they recently renovated to the tune of nearly \$7 million — or their 10-bedroom country residence, Anmer Hall in Norfolk, a gift from **Queen Elizabeth II**. Such in-house one-on-ones ensure privacy and keep things conveniently near the royal bedchamber!

And when that romantic mood hits the monarchy, the duchess dresses accordingly. "Kate owns some very risqué lingerie," shares a former palace staffer. "I would think she wears something special for William when they want to have some fun." Plenty of women do the same to please their hubbies, but Kate's got a stylish edge: Her underthings come from Agent Provocateur, where a pair of

## Posh Pampering

When the stress of sovereignty takes its toll, the royals relax in grand style at Champneys health spa. "They spend the entire weekend taking treatments and getting pampered," says an insider.

knickers (that's underwear on this side of the pond) can run as high as \$790! Only fitting for a seduction that winds up on a 4,200-spring mattress made of royally sumptuous cashmere, silk, cotton and wool.

Like other spouses, Kate and Wills also enjoy getting out now and then. What's surprising is how simple they strive to keep it. The Cambridges prefer hitting a traditional village pub over a posh nightclub. One of the prince's favorites is the Dabbling Duck at Great Massingham, while Kate is especially fond of the Old Boot Inn in Stanford Dingley, Berkshire.

A recent dinner at Norfolk's King's Head Hotel had the noble twosome

## Putting The FUN In UNDIES

An insider tells *Star* that William gets hot and bothered by wife Kate's love of sexy lingerie (like these, above, from L' Agent by Agent Provocateur) — a trait she may have discovered while modeling a negligee during a 2002 university charity event (left).

for dessert and left the restaurant hand in hand.

### PALACE PLAYTIME

However, these royals' meals are just as likely to be created by the prince as a chef. "He really does love cooking," a kitchen spy dishes. "It started when they were living in Wales as newlyweds; they stayed alone in their cottage and bought their own groceries. William couldn't so much as boil an egg, so Kate showed him a few basics, and

behaving like lovestruck teenagers — touching, flirting and gazing into each other's eyes. They ordered the same fish entrée (sea bream), split some ice cream

now he's completely obsessed." His specialties include the British classic shepherd's pie, but he's also apt to just throw something on the outdoor grill.

## JUST KIDDING

Kate's not afraid to get her clothes dirty when she's with son George — but she doesn't keep the little lad all to herself. "George is the friendliest person, and he enjoys being with other children," says a source. So Kate is always arranging playdates with the offspring of nobility or her and William's celebrity friends, including **David and Victoria Beckham** and their daughter Harper (far right). "George loves playing with Harper," the source adds. "Those two have such a grand time together!"

“Kate gets a real kick out of seeing him in his apron,” says the source.

The insider also reveals that little George likes to get into the act when Daddy’s making dinner. As parents, Kate and William can’t resist indulging George and Charlotte. “William is much warmer with the children than his father was with him,” points out a longtime royal watcher, adding that other children are often invited to play, giving the royal residences a rumpus room feel. “They let the kids loose within the grounds of Kensington Palace or Anmer Hall, allowing them complete freedom to run around.”

Not that the royal tots are the only ones to goof around. Kate’s sister, **Pippa Middleton**, is a frequent visitor — and a total blast. “Pippa’s the one behind their karaoke parties, which have become legendary!” says another source. “**Prince Harry** will come if he can too. Everybody stays up singing, drinking and dancing until the early hours of the morning. It’s a way for them to forget their tremendous responsibilities for a while.”

## GLORIOUS GETAWAYS

Between their high-profile public life and their private partying, the royal couple occasionally just need to chill. Sometimes, that’s accomplished close to home, with a visit to haute health spa Champneys. “Kate and William love the place!” a source tells *Star*. “They book under fake names and spend an entire weekend being pampered. The staff is utterly discreet, so no one ever knows when they’re there.” A favorite treatment is the Couples Shared Indulgence of body brushing, massage and skin-softening wrap for about \$300.

But when local luxury just won’t do, the Windsors pack up and head to Mustique, their Caribbean go-to since they first visited while courting back in 2008. Their preferred accommodation is Aurora House, which boasts three-bedroom suites, plus a separate quaint cottage, dining gazebo, media room, 45-foot swimming pool and a full staff of five for \$21,000 a week. Kate is known to spend her time there without a speck of makeup, while Wills runs around in flip-flops!

Whether at home or away, Kate and William keep it cuddly. “Staff at their homes have gotten used to seeing them

# THE ROYALS GO RURAL

TOO MUCH TIME IN LONDON MAKES WILLS AND KATE FEEL LIKE “CAGED ANIMALS,” SAYS A SOURCE. SO THEY HEAD FOR THE COUNTRY.

The royal couple sank several million into renovating Anmer Hall in Norfolk, turning the 10-bedroom Georgian mansion and grounds into a secluded mega-estate.

The duke and duchess leave the King’s Head Hotel in Norfolk after a romantic dinner last summer (above). “William was extremely affectionate to Kate,” reports an eyewitness. “They were quite flirtatious!”

Kate calls William by the pet name **Chef Windsor**, according to a source, when he gets busy at the grill or in the kitchen.

Shopping is a casual pleasure in the Norfolk area, and if William wants to stay home, Kate goes solo (except for a bodyguard, left). She’ll poke around in a gallery, hit a boutique and pick up something at the bakery.

kissing in the hallways, like newlyweds,” says a source — behavior that’s bound to lead to more children. “They’ve said they want at least four — and William

sometimes jokes about having a full football [soccer] squad!” adds the source. “They are as in love as they have ever been and couldn’t be happier!” ★

**Star** Exclusive**The Cutting Edge**

Houston-based Dr. Franklin Rose — the official plastic surgeon of the *Bachelor* franchise — prepares Holly for the first of her surgeries in October.

# **BACHELOR PAD'S HOLLY DURST**

# *My Megan Fox Makeover*

REALITY TV STAR HOLLY GOES UNDER THE KNIFE AND USES ONE OF HOLLYWOOD'S MOST BEAUTIFUL WOMEN AS HER INSPIRATION.

**T**HERE'S a saying that goes, "I can't place the name, but your face is familiar." For fans of ABC's *Bachelor* franchises, the reverse may now be true when it comes to **Holly Durst**.

The perky Ohio native finished in the top 10 among the female contestants on season 12 of *The Bachelor* in 2008 — then captured reality TV glory three years later as the winner of season two of *Bachelor Pad*. But while Holly's name is certainly familiar, her face has undergone some understated and sexy changes since it was

last splashed across prime time.

Holly, 32, recently underwent a number of plastic surgery procedures to correct what she felt were facial flaws — and in an exclusive interview, she reveals the buxom beauty behind the oh-so-delicate changes she chose for her visage. "**Megan Fox** has always been an inspiration to me," Holly tells *Star*. The *Transformers* actress was rumored last year to have had some plastic surgery of her own on her nose, cheeks and lips, and Holly adds: "I think Megan is beautiful, and I always went back to how photos have

# TRANSFORMED LIKE THE TRANSFORMERS STAR

Holly says she had long thought about having work done to fix her nose's downturned nasal tip and her problem with impaired breathing through her right nostril. She finally decided to have multiple procedures done all at once — including fixing older saline breast implants (right), which increased her bust by nearly two cup sizes.

**BEFORE**

**SIZING THINGS UP**

**AFTER**

**FACE FACTS**

The work Holly had done on her nose, eyes, chin and cheeks mirrors some of the refining procedures Megan (above) has allegedly undergone in recent years.

**New And Improved**  
Holly (left, after her surgeries) tells *Star* that Megan Fox (above) "has been an inspiration to me," in the gentle way the actress has allegedly changed her appearance.

shown the subtle little changes she's had done." As for Holly, "I have never liked my nose. I've hated every picture of it. My husband [Blake Julian, 32, a fellow contestant from *Bachelor Pad*] and I have been trying to have a baby for the last three years, but we took a break — so it was the perfect time to have my nose done. Then I thought, I might as well have anything else taken care of that I wanted at the same time."

## REFINE AND DANDY

For Holly, the list of procedures included fixing her nose, chin and cheeks, as well as correcting her 10-year-old saline breast implants.

The \$22,500 worth of work was performed in one day in mid-October at the surgery center of Houston-based Dr. Franklin Rose. "Holly was in surgery for nearly four hours," Dr. Rose tells *Star*. "I recontoured her chin and neck with extensive liposuction, and also

recontoured her cheeks. I fixed Holly's downturned nasal tip — what we call 'classic parrot beak' — and repaired her deviated septum, so she can breathe easier. I also used fillers to recontour her 'tear troughs,' to give her lower eyelids a more youthful appearance." As for

Holly's breasts, "I performed an internal breast lift to make them fuller, and increased her breast size by a cup and a half."

The result? "I'm thrilled with the changes," Holly, who lives with her husband, a dentist, in South Carolina and writes a children's books, tells *Star*. "I can breathe again, and now my breasts are in their correct spots, not falling to the sides, like

they were before. I feel normal." As for hubby Blake, "He was nervous initially about my plans; then he came on board," she admits. "But he had one condition: He said, 'Don't touch your lips!'" And it was sealed, we're sure, with a kiss! ★

## Bonus Prize

Not only did Holly win *Bachelor Pad* in 2011, but she also met her future husband, fellow contestant Blake Julian. They wed in 2012, and Holly is starting in vitro next year.

### **Charlie's Confession**

Charlie Sheen told Matt Lauer that his net worth is "not great" after paying hush money to people who threatened to spill the beans about his illness. The actor, who takes four pills a day for his condition, says he came clean to dispel the stigma surrounding HIV.

# *Denise* **CHARLIE'S SILENT PART**

CHARLIE SHEEN'S SECOND WIFE, DENISE RICHARDS, KEPT HIS HIV SECRET FOR YEARS. IN THIS *STAR* EXCLUSIVE, A CLOSE FRIEND OF THE ACTRESS REVEALS THE REAL REASONS SHE KEPT MUM ABOUT HIS CONDITION.

## Speak No Evil

Charlie claims that it was “impossible” that he knowingly transmitted HIV to others, and that he only had unprotected sex with two people since the diagnosis — and both were aware of his illness. But former girlfriend Bree Olson, who lived with Charlie in his \$7.5 million Beverly Hills mansion, insists, “We had sex almost every day for a year. He never said anything to me.”

# NER

In the wake of **Charlie Sheen's** shocking admission that he's had HIV for four years, numerous women have come forward both supporting him and challenging his assertion that he informed his partners about his illness prior to having unprotected sex. But one woman who has yet to speak is perhaps the most important in his life — his second wife and the doting mother of his two daughters, **Denise Richards**. Having kept his secret since Charlie told her of his 2011 diagnosis, Denise has refrained from comment on his condition — and his attempt to hide it.

“Denise could not believe he would bring his disgusting lifestyle into their home,” says a longtime friend. “But she had her reasons for keeping quiet about his disease.” *Star* can now exclusively report why Denise kept Charlie's secret for so long.

### SHOW HER THE MONEY

Charlie, 50, and Denise, 44, wed in 2002, but their tumultuous relationship reached the breaking point three years later, when she was pregnant with their second child. Already at her wits' end over Charlie's gambling and drug use, Denise hit her limit when she learned of his numerous infidelities. Afraid of his violent temper, she petitioned for a restraining order against him and accused him of viewing kiddie porn. They were on-again/off-again until their 2006 divorce — among the messiest in Hollywood history — resulted in Denise reportedly receiving \$52,000 a month in tax-free child support, \$60,000 a month tax-free for two years in alimony and a slice of his sitcom *Two and a Half Men*, which would “net her up to \$25 million,” a source close to the case said at the time.

Charlie's wild ways escalated after the divorce — despite his third marriage, to **Brooke Mueller** — while Denise tried her best to be civil to him. Then came his HIV revelation. “He told Denise he got it from a hooker after they broke up, but she was

still worried sick,” her friend reveals. “After all, he would sleep with anything. She got herself and the kids tested, terrified that they would test positive. Thank God, they didn't.”

Denise, naturally, was livid. “When he first told her, she hated him with all her heart,” her friend says. “She was ready to go public on him.” Why didn't she? “For one, Charlie still takes care of her financially,” insists her pal.

Although Charlie admitted in his *Today* show interview with **Matt Lauer** that his fortune has taken a major hit due to “shake-downs,” “to this day, he's very generous to Denise and the kids,” the friend says.

### SYMPATHY FOR THE DEVIL

While money is a factor, “Denise never felt it was her business to tell. Plus she genuinely pities him,” her friend explains. “He would show up on her doorstep or call her late at night, crying about dying. She promised to keep quiet and do all she could to help him through this.”

Denise also didn't want to turn daughters Sam, 11, and Lola, 10, against their father. She even generously cared for the twin boys Charlie had with Brooke when the couple sought help for their drug problems. Days before Charlie's confession, Denise appeared on the podcast *Allegedly with Theo Von & Matthew Cole Weiss*, and while she said nothing about his HIV, she insisted she would “always” be there for Charlie.

Her support is sure to be put to the test in the coming weeks, since it seems that Charlie — who estimated that he has bedded about 5,000 women — has not seen the end of his troubles. “He's had so many partners over the past four years, who knows how many had unprotected sex with him?” points out a Hollywood insider. “It's the *Cosby* effect — Charlie is the **Bill Cosby** of unprotected sex. Women will come out of the woodwork with lawsuits.” Indeed, several of Charlie's lovers have contacted attorney **Gloria Allred**, who is representing women in a sexual abuse case against Cosby.

And it's not just Charlie's net worth that's in jeopardy. “He could be criminally prosecuted, whether his partners are HIV positive or not,” says California criminal defense attorney Louisa Pensanti. “If his partners can prove that he intended to infect them, it's considered assault with an intent to commit murder.” If convicted, he could serve up to eight years in prison. “Charlie has no idea just how bad this is going to get,” the insider says. Only time will tell if Denise will be able to keep the faith. ★

# Miranda WANTS BLAKE BACK!

NOW THAT BLAKE SHELTON HAS FOUND LOVE WITH HIS COSTAR, GWEN STEFANI, MIRANDA LAMBERT HAS TRANSFORMED INTO A GREEN-EYED MONSTER.

**L**OOKS like the grass isn't always greener on the other side. It's been only four months since **Miranda Lambert** and **Blake Shelton** called it quits, but the country cutie is already having a change of heart — and sources say she'll stop at nothing to win him back! On Nov. 3, the singer, 32, reportedly texted her ex-husband to invite him to sit next to her and her pal **Ashley Monroe** at the Country Music Awards, but Blake didn't respond like Miranda had hoped. "He wrote her back immediately and told her to lose his number — and fast," a source tells *Star*. "He wanted to make it clear that he wants nothing to do with her anymore."

Adding insult to injury, Blake, 39, confirmed his relationship with fellow *The Voice* judge **Gwen Stefani** the following day, sending Miranda into a tailspin of jealous rage. "She's always been envious of Gwen — and now more than ever," reveals the source. "Miranda always used to ask Blake if

he was attracted to Gwen when the two started working together, but he used to always brush it off."

## GWEN 2.0

Even though Miranda finally has her answer — and pictures of the happy couple have been popping up for weeks — it hasn't been enough to convince her to walk away from her former flame of four years. Instead, it's only propelled her to keep vying for Blake's attention by transforming her girl-next-door appearance to look more like the edgy "Hollaback Girl" singer.

Besides dying her hair an eye-catching shade of pink (like Gwen did more than a decade ago), Miranda recently stepped out with a giant temporary tattoo of a unicorn on her forearm and gushed about her new second ear-piercing on Instagram.

But Manic Panic and leather pants can only do so

## Crash And Burn

"Miranda's used to getting what she wants, when she wants it," says an insider. "It's driving her insane that she's not getting anywhere" with Blake.

## Copycat

Miranda has been pulling out all the stops to entice her ex-husband to come back — including getting a head-to-toe makeover to look more like Blake's new squeeze, Gwen Stefani. "Miranda would have been jealous of whomever he dated, but the fact that it's Gwen is driving her crazy," says a source.

much. Despite Miranda's apologies and incessant texts (she's even reportedly been contacting his mom, Dorothy, for advice), the country crooner has no desire to kiss and make up with his ex. "I wasn't in a good place," he previously said of their relationship.

#### THE LAST LAUGH

Though Blake has made it a point to not say anything negative about his ex in the media, pals say it wasn't his wandering eye that caused the pair to split — it was hers. As *Star* previously reported, Miranda allegedly cheated on Blake multiple times — and with multiple men — during the course of their marriage. Interestingly, infidelity was also the culprit behind the demise of Gwen's 13-year marriage to Bush frontman **Gavin Rossdale**.

"When Gwen found out that Gavin had been cheating on her with their longtime nanny, she confided in Blake," admits the insider, noting that the two bonded over their respective betrayals.

But now it appears as if they're getting the last laugh. Since coming out publicly as a couple, the duo have been spotted looking cozy on numerous occasions in both Los Angeles and Nashville. "Miranda is old news, as far as Blake is concerned," adds the source. "She can text him all she wants, but he's much happier without her in his life, and frankly, he owes her nothing." ★

#### On-Air Chemistry

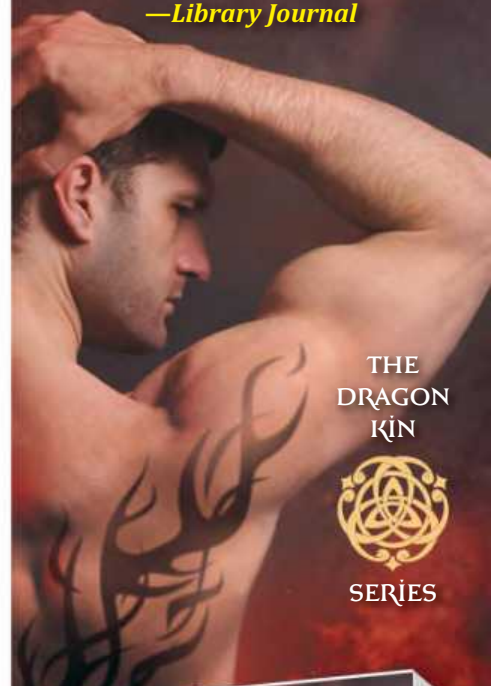

After weeks of speculation, Blake and Gwen confirmed their relationship hours before the Country Music Awards.

## OSCAR BAIT

Hot on the heels of announcing his divorce from **Jennifer Garner** after 10 years of marriage and three kids together, Oscar winner **Ben Affleck** was accused of cheating with their nanny Christine Ouzounian. But at least for now, they've managed to put their kids first. "For the sake of their family, Jennifer's taken the high road," explains a source. "She could have made his life hell." Jennifer's restraint is admirable, considering the affair took place right under her nose and included overnight romps in Las Vegas. While Christine at first seemed to relish the attention, even posing for paparazzi, the past few months she's been in lying low in the Bahamas with her ex-boyfriend.

### MAID IN CALIFORNIA

**Arnold Schwarzenegger** and **Maria Shriver**'s 25-year-marriage was terminated in 2011, soon after his term as California governor ended, once Maria discovered he had a love child with his housekeeper Mildred Baena. Arnold, 68, had kept his paternity of then 14-year-old Joseph quiet since the boy was a toddler. But as Joseph began uncannily morphing into a mini Arnold, Maria's suspicions were raised. Arnold finally came clean, and Maria filed for divorce. "It was so sad, Maria treated Mildred's son like he was one of her own," a source tells *Star*. "They made a fool out of her for too long, and Maria finally took a stand."

## THE GAME IS A PLAYER!

## CAUGHT BUTT-HANDED!

Christina Milian's ex-hubby, **The-Dream**, turned out to be more of a nightmare. In 2010, just 10 months after the pair wed and five months after they welcomed their baby girl, Violet, he was caught having an affair with his assistant, Melissa Santiago. Soon after photos of the pair groping each other on a Caribbean beach emerged, the actress/singer, 34, split from the Grammy-winning rapper/producer. The-Dream, 38 — who said the split made him suicidal — apologized for “the embarrassment to everyone involved.”

## EMO-TIONAL FRIEND

## LOOK-ALIKE LOVER

**Gavin Rossdale** and **Gwen Stefani** had a nasty split after Gwen, 46, allegedly discovered that Gavin, 50, and their kids' longtime caregiver, Mindy Mann, shared explicit texts — including nude photos. The affair had reportedly been going on for three years, and Gwen admitted that her life “basically blew up in her face.” She's now dating her *Voice* costar **Blake Shelton**, but Gavin and Mindy's betrayal isn't easily forgotten. “Mindy was a part of the family in Gwen's eyes, which is why she's so sad about it,” says the source. “She invited this woman into her home for almost a decade, and this is how she was repaid.”

## BUSTED! *With The Help*

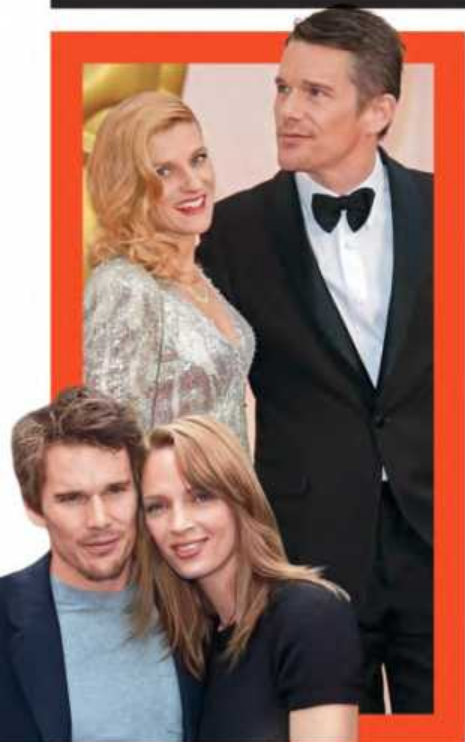

### OH, BABYSITTER

The longest of the late Robin Williams' three marriages was to his second wife, Marsha Garces, who was the live-in nanny of his eldest son Zak during his 10-year union with wife No. 1, Valerie Velardi. Valerie split from the comedian in 1988, and one year later he married Marsha, who was already pregnant with his child Zelda. "Everyone adored him, but he had some serious demons — and alcohol and women were two of them," says a source.

### NOT A NOVEL ATTRACTION

They seemed like the perfect celebrity hipster couple, until actor and novelist **Ethan Hawke** began cheating on A-list wife **Uma Thurman** with the nanny of their two children, **Ryan Shawhughes**. Uma, 45, described their breakup as "excruciating" and said her self-esteem was "pretty mangled." Making matters worse for Uma, Ethan married Ryan in 2008, and they now have two children together. As a source explains, to see him start a family with the very woman he was cheating with really messed with Uma's emotions.

Marie and Shania in happier times.

**BFFS?**

### WIFE SWAP

Marie-Anne Thiebaud was more than legendary music producer **Robert John "Mutt" Lange's** secretary; she was his wife **Shania Twain's** best friend. Which made the revelations that Marie was sleeping with Mutt that much worse. It led to the music star's 2008 divorce — after 14 years of marriage — after which Mutt and Marie wed. But in a bizarre twist, just six months after the split was finalized, Shania, 50, was engaged to Marie's ex-husband, **Frederic Thiebaud**! Shania still hasn't forgiven Marie: Last March she admitted that if she could say one thing to her former friend, it would be "I wish I'd never met you."

### WANDERING EYE

### SPY KID

As if cheating with the nanny weren't bad enough, **Jude Law**, 42, was caught with his pants down by one of his own children! While engaged to **Sienna Miller**, 33, the British heartthrob had an affair with Daisy Wright, the nanny of his three kids with ex-wife **Sadie Frost**. It had been going on only a month when one of the children told their mom about catching the lovers in bed. Daisy, who was immediately fired by Sadie, then sold her story, dishing intimate details of their passionate romance; they included "mind-blowing rampant sex" on a pool table. A brokenhearted Sienna ended their engagement. ★

## 1.M.R VORTEX™ Can Make it Happen

### Here's how...

**I**'ve got a secret. I haven't always looked this way. I was once overweight, exhausted and frustrated with my body. As a mom of three, I couldn't seem to find the energy I needed to make it through the day, much less fight hunger, cravings and the temptation of foods I knew weren't good for me. Most of us have a similar problem. We want to be a slimmer and healthier version of ourselves, but we're too tired to do anything about it.

I have the answer. And it doesn't involve crazy starvation diets, dangerous surgeries or pills with suspicious ingredients. It's safe, easy and flips the switch on your metabolism...turning it into a fat destroying machine!

How's that possible? With **1.M.R VORTEX™**, a unique, fast-acting energy powerhouse that comes in delicious flavors like fruit punch and arctic ice. It's super easy to use! In fact, I lost 38 pounds and went from wearing a size 12 to a stunning size 2, thanks to 1.M.R VORTEX™.

#### The "Body Fat Expelling" Powder

1.M.R VORTEX™ uses one of the industry's biggest weight-loss secrets: **yohimbine**. This powerful ingredient is extracted from the bark of a West African tree and encourages the body to use stored fat as a source of energy. So that stubborn fat you're dying to get rid of? Gone.

**Discover endless amounts of energy**  
Forget those energy drinks! Because in addition to yohimbine, 1.M.R VORTEX™ contains **white leadwort**. Research has found that this amazing herb stimulates your central nervous system (CNS), which may boost energy and focus. It keeps you going all day without that draining "crash" you just can't afford to have in the middle of a hectic day.

#### Celebrities love 1.M.R VORTEX™

And they're seeing insane results! Athletes, too. 1.M.R VORTEX™ is the perfect energy boosting solution for people who are consistently busy and on-the-go.

As you walk indoors, the color gradually transforms into a glistening light ocean blue, reminiscent of the finest aquamarine. ## The Night Before

**Stars** Seth Rogen, Anthony Mackie, Joseph Gordon-Levitt

**Story** Three best buds' annual tradition of going wild on Christmas Eve is coming to an end, because Isaac (Rogen) is expecting a baby and Chris (Mackie) has a thriving pro-football career. To send the trio out in style, Ethan (Gordon-Levitt) scores tickets to a supersecret party, but they'll each have to sort through personal stuff to get there — while under the influence of plenty of drugs. Those issues include Ethan's unresolved feelings for an ex-girlfriend (**Lizzy Caplan**) and Isaac's fears about becoming a dad. It's definitely wild, with plenty of celebrity cameos (**Miley Cyrus, James Franco**) and crazy situations, but despite scattered laughs, few of the jokes really land. Still, it's engaging and entertaining in its own subversive way, even when you wish it was funnier.

**Verdict** Christmas is the new high holiday in this hit-or-miss comedy.

Redmayne as Einar (inset), who transitions to Lili.

## The Danish Girl

**Stars** Eddie Redmayne, Alicia Vikander

**Story** Oscar winner Redmayne again aims for the big prize with a showy role as a real-life artist in Copenhagen in the 1920s, who becomes one of the first men to undergo sex reassignment surgery. He plays Einar Wegener, an acclaimed painter married to illustrator Gerda Gottlieb (Vikander). One day, while kidding around, Einar fills in for her model by donning silk stockings, which triggers a hidden facet of his inner self: the long-suppressed feeling that he is a woman trapped in a man's body. His wife goes along with his wish to cross-dress in public — until he begins to lose himself in the female alter ego they name Lili. The drama is an endless series of quiet moments of reflection, in which Redmayne's Lili deals with the feelings that come from facing the world as a woman. Redmayne plays her annoyingly shy and fluttery, leaving it to Vikander to carry most (unfortunately, not all) of the scenes.

**Verdict** Too slow and dull to really be engaging.

★★★★☆

## Creed

**Stars** Sylvester Stallone, Michael B. Jordan

**Story** This new *Rocky* spin-off/sequel follows Jordan as Adonis Johnson, the illegitimate son of Rocky Balboa's (Stallone) original foe turned partner, the late Apollo Creed. An investment counselor in L.A. who secretly boxes on the weekends, Adonis quits his job and moves to Philadelphia, where he asks Rocky to train him. But as his career takes off, he and Rocky face larger obstacles than his opponents. Jordan blends toughness and vulnerability as a young man scarred by a youth in the foster care system. But the revelation here is Stallone, who returns to the role that made him a star and touches the viewer's heart as an athlete in the winter of his years. He and Jordan have a naturally humorous chemistry that mixes eager youth with wary experience. The fight scenes, as with all the *Rocky* films, are brutally unrealistic yet thrilling for an underdog story with surprising depth.

**Verdict** It's a knockout!

**KALEY CUOCO**  
Turns 30 on Nov. 30

By Jennifer Angel

## SAGITTARIUS NOV. 22–DEC. 21

You can be restless and impulsive, which has provided interesting experiences; but right now, you have an opportunity to put down roots — think it over. A connection could open the door to love.

## CAPRICORN DEC. 22–JAN. 19

There could be some urgency to get something completed at work, but don't allow anyone to pressure you, it is better to take longer and do a great job. Your intuition is hot now, so pay attention to it.

## AQUARIUS JAN. 20–FEB. 18

A friend may come forward and impart missing information, while someone from your past can provide insight to help you make a decision.

## PISCES FEB. 19–MARCH 20

An opportunity at work with the potential to boost your bank account can arise — but don't think it over for too long or you'll miss your chance.

## ARIES MARCH 21–APRIL 19

Now is the time to make plans for the future. But remember: Life is a journey, not a destination. A relationship at work can cause stress; avoid a confrontation.

## TAURUS APRIL 20–MAY 20

Get ready to love and be loved. Share inner thoughts to strengthen a bond with a loved one. At work, get organized and be disciplined with time management.

## GEMINI MAY 21–JUNE 20

Emphasis is on long-term relationships... but also on the reality that there is always some compromise to make. If you need to have an awkward discussion, try to keep an open mind.

## CANCER JUNE 21–JULY 22

If a situation at work clashes with a relationship, be careful not to overreact. Take a step back and think through your desired outcome; there could be a suitable solution. A discussion at work can move things in the right direction.

## LEO JULY 23–AUG. 22

When it's about money, be prepared to negotiate. A give-and-take attitude is the key to achieving a win-win outcome. Romance can move to another stage after a discussion reveals that you are both on the same page.

## VIRGO AUG. 23–SEPT. 22

Whether it's personal or professional, teamwork is crucial, but be careful you don't expect more from someone than they are capable of giving. If you approach it in the right way, anything is possible.

## LIBRA SEPT. 23–OCT. 22

You can attract money over this period, but beware the temptation to spend — set a budget to stay on track and save for the future. A conversation with someone close highlights an opening that allows you to work together successfully.

## SCORPIO OCT. 23–NOV. 21

Both love and money are on your radar now. When it concerns money, don't do anything rash; build a business that's secure for the future. To attract romantic attention, let your charming side shine through.

## Does Kim Zolciak photoshop her Instagrams?

One of these Kims is not like the other! Kim Zolciak recently celebrated her fourth wedding anniversary with NFL-player husband **Kroy Biermann**. But the selfie and butt shot the *Don't Be Tardy...* star posted on Instagram didn't quite match up to images others snapped of her on the beach, where she doesn't look nearly as fit. It appears the wig-line-owning reality star made a few alterations to her posts, which should be a surprise to pretty much no one. ★

## Did Pharrell get a black eye from Jay Z?

Singer/producer **Pharrell Williams** sported a black eye the day after the "Happy" singer had a private meeting with **Jay Z**, igniting rumors that the shiner was a result of a fistfight between the two music stars. The story went that after Pharrell pulled out of a deal with Jay's music-streaming company, Tidal, the "99 Problems" rapper got physical. But not every tale about the music industry is straight out of an *Empire* plotline. Pharrell insists he got the facial bruise when he and his wife, Helen, were joking around in the kitchen and she hit him in the face with a spatula. And, really, what self-respecting musician would actually make *that* up? ★

## Who is Bella's mean girl?

If you're a teen, it doesn't matter if you're beautiful or a hugely successful star, you can still get bullied by mean girls. And stunning model/actress **Bella Thorne**, 18, says there's one particularly unpleasant young lady in the business whom she avoids at all costs. In a recent interview, Bella opened up about the nasty rich girl who's terrorizing the industry. "She's been a billionaire since she was very little, and she's never had to work for anything in her life," says Bella, whose family at one point survived on food stamps. But the redheaded beauty never reveals who the mystery meanie is. Instead she says, "Her siblings are not mean like she is. It's just her." A rich mean girl with nice siblings? Those cryptic clues had the Internet guessing that it could be **Kendall** or **Kylie Jenner** or even **Bella** or **Gigi Hadid**, but as of now, Bella has yet to name names! ★

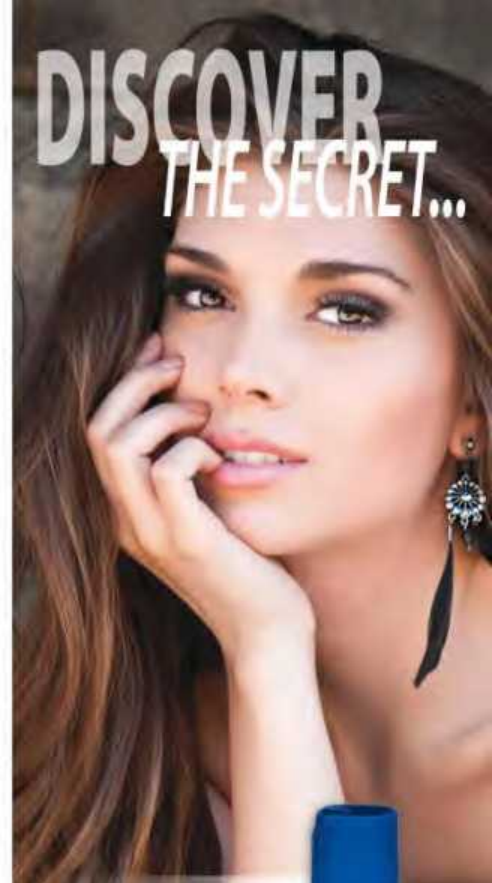

## CHEAT SHEETS!

## Is Mariah the laziest woman on the planet?

Apparently, singing sensation **Mariah Carey** can knock out hits in her sleep! In true pop-star form, the blinged-out diva didn't even bother rolling out of bed, instead beckoning audio techs to turn her bedroom into a studio, as she geared up for new performance dates for her Las Vegas residency in 2016. Flaunting her fabulousness, she Instagrammed this pic and wrote, "Working from bed... sometimes you have to make the voiceover studio come to YOU! #realliferum!" ★

## The Comeback Kid

Las Vegas, Nov. 19

**Will Smith** joined Colombian electro group Bomba Estereo on stage at the MGM Grand Garden Arena to perform a feisty remix of their hot new single "Fiesta" during the 2015 Latin Grammy Awards. And according to Will, this is just the beginning! Earlier this year, the *Fresh Prince* announced plans for a world tour with **DJ Jazzy Jeff** in summer 2016. "I've been away doing some other stuff. Making kids and stuff. You know, it takes a little bit of your attention away," Will told BBC Radio 1's **Zane Lowe**. "I'm at the beginning of this process. Shaking the rust off, knocking the dust off."
